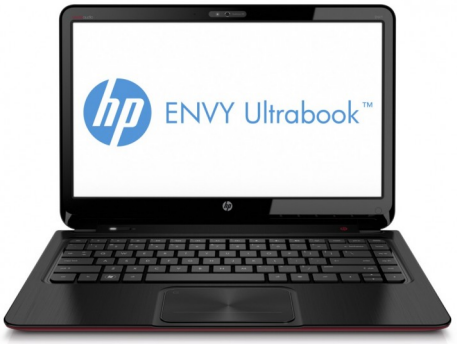
ENVY Ultrabook™ 4-1130us PC

HP is the world's favorite PC.*



The Ultrabook™ that's up for anything. Always on, ultra fast!

It's the Ultrabook™ with Beats Audio™, up to 5-hour battery life(11c), a backlit keyboard and a soft-touch base that makes it easy to grab and go. Plus, smart technology that keeps your email and apps up to date even when asleep–and wakes up fast. Anywhere, anytime.

HP recommends Windows 8.

Thin and light, but it's no lightweight.

As notebooks get thinner, start thinking bigger. Introducing the HP ENVY Ultrabook™ 4. Thin and light, it's the only large screen Ultrabook™ with Beats Audio™ and a subwoofer. Not to mention super long battery life, a unique soft-touch base, an HP TrueVision HD webcam(12), and innovations like HP CoolSense to keep you comfortable. Plus smart technologies to keep your email and apps up to date when asleep and wake up in seconds. The HP ENVY Ultrabook™ 4. Up for anything. Always on.

Brilliantly engineered.

HP PCs deliver optimal performance through meticulously engineered designs. Each series undergoes at least 140 rigorous tests defined by HP Labs to help ensure they can survive extreme conditions and use over the long haul.(16) And each includes components and software from world-class partners.

- Windows 8(1)
- Go up to 5 hours and 15 minutes without recharging.(11c)
- Live life in high definition on a 14.0-inch diagonal HD(3) BrightView LED-backlit display (1366 x 768).
- Get the real-time boost needed for optimal gaming and multitasking performance in breathtaking color and clarity. Visibly smart performance with a boost with the 3rd generation Intel® Core™ i5-3317U Processor.(2)(2c)(2e)
- Store up to 116,000 photos, 105,000 tracks or 210 HD movies and get protection from bumps with a 500GB hard drive and HP ProtectSmart.(6a)(6)
- Start in seconds and pick up where you left off thanks to Intel® Rapid Start Technology and Smart Response Technology powered by hard drive acceleration (32GB solid-state drive) cache.(2h)(2i)(2j)
- Stay connected to friends, family, and colleagues at wireless hotspots with Wi-Fi 802.11.(8)
- Wake-up from sleep mode to already up-to-date email, notifications, and apps with Intel® Smart Connect Technology.(2g)
- Wirelessly sync and print from up to 30 feet away with Bluetooth®.(8f)
- Easily connect your notebook to a big-screen TV and enjoy your favorite videos, photos, and online shows in full HD(3) with Intel® Wireless Display and an adapter (sold separately).
- Keep going and playing comfortably in dimly lit rooms or on red-eye flights with the full-size backlit keyboard.

Thoughtful design.

At just 0.8 inches thin, the HP ENVY Ultrabook 4 is slim and light enough to take anywhere. A dynamically tapered shape makes it look ready for take off. And, a soft-touch base makes it easy to grip on the go. Protected by sophisticated metal covers and a spun-metal touchpad. It's the notebook that gets you noticed with the power to get it done. In midnight black aluminum with a red soft-touch base.

Endless innovation.

HP humanizes technology: we are inspired by the way you think, feel, act and interact.
- **HP CoolSense:** Get automatic air conditioning for your notebook, so you stay comfortable.
- **HP Imagepad:** Simply touch to scroll, zoom, and rotate images and web pages with pinpoint precision.

Major studios have relied on HP technology when making blockbuster movies, from Disney's Fantasia (1940) to DreamWorks Animation's Madagascar 3: Europe's Most Wanted (2012). Delivering outstanding entertainment is in our DNA.
- **Beats Audio™:** Designed to deliver the best sounding, richest audio available on a PC with extra amplification possible through a built-in subwoofer.
- **HP TrueVision HD Webcam:** Always look your best, even in low light.(10a)

Exclusive experiences.

- **HP ProtectSmart Hard Drive Protection:** It senses motion and plans ahead, so a single bump won't delete your entire digital life.
- **HP Connected Photo:** Picture what's next. Sync photos across your PC, smartphone, and tablet. Crop, rotate, add captions, and more. Then share in seconds with friends and family through your social networks. Picture the fun.(12m) Get a free 20-page, 8.5 in x 11 in photo book--a $30 value. See the Snapfish flyer included with your ENVY documentation for instructions and terms.
- **HP Connected Music:** Your music. Your collection. In perfect harmony. Get the most out of the tunes you love today and discover more music in a whole new way. Enhance your experience by browsing your CDs, downloads, Internet radio, and streaming services—all together in one place.(12s)
- **Cyberlink YouCam DE:** Enhance your video chat with effects, gadgets and avatars—even amazing 3D augmented reality! Upload your webcam videos directly to YouTube or Facebook in HD.(12)(3a)
- **Cyberlink PhotoDirector and PowerDirector:** Fast, feature-rich and easy to use, powerful sets of integrated tools let you create spectacular photos and movies like a pro, plus easily enhance, manage and share them.
- **Absolute Protection. Absolute Peace of Mind.** Help keep your data safe if it ends up in the wrong hands. Remotely disable your PC and deny data access if your notebook is lost or stolen. Then easily restore the data if your notebook is recovered with Absolute Data Protect combined with Intel® Anti-Theft™ Technology. Free 90-day subscription included.(12f)

Help save more than the earth.

Save time and money, too. Now recycling your HP and Compaq products is more convenient than ever-and totally free! Get your recycling voucher at www.hp.com/us/go/recycling, then drop products off at a FedEx Office (more than 1,700 US locations) for packing and shipping. Or, get cash back, a gift card or options to donate computer hardware (any brand) with residual value, plus the option to recycle it. Responsible recycling has never been easier!

Your Windows 8(1) experience. Make it better with HP.

HP, a world leader in PCs and touch technology, now brings you Windows 8(1) on a full range of products designed to fit your needs. Experience exclusive innovations like Beats Audio™, HP CoolSense, and HP ProtectSmart. And, introducing HP Connected which links you to your photos,(12m) music,(12s) and more in the cloud.(12o) Your Windows 8(1) experience. Make it better with HP.

Here to keep you happy.

Our customer support team wins awards for doing what they do best: helping people like you. Visit www.hp.com/go/totalcare to learn about services and support options that supplement or extend your standard coverage. Check the label placed on the bottom cover (or inside it if removable) for your PC's warranty period.(13) During your limited warranty period you get:
• 24 x 7 technical assistance via online chat, email, or phone
• Parts and labor coverage, including customer-replaceable parts, return of equipment to HP, and authorized service provider options
• 24 x 7 toll-free technical and limited software support in English or Spanish at 1.800.474.6836

In addition, and at no charge, you get lifetime access to:
• HP Support Forum in English, French, or Spanish at www.hp.com/go/supportforum—and now accessible on your smartphone at www.hp.com/supportforum.
• HP Support Assistant: You can access HP Support Assistant by clicking the ? icon in your taskbar or by selecting the HP Support Assistant app on the Start Screen. You can schedule automatic updates and boost your PC's performance. To learn more about HP Support Assistant, visit www.hp.com/go/hpsupportassistant.

ecoHIGHLIGHTS

[1] Not all features are available in all editions of Windows 8 . Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See http://www.microsoft.com [2] 64-bit computing on Intel architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Dual-core/triple-core/quad-core/six-core is a new technology designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. See www.intel.com/info/em64t for more information. [2a] GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. [2c] Intel®'s numbering is not a measurement of higher performance. [2e] Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See http://www.intel.com/technology/turboboost/ for more information. [2f] Requires a Wireless Display adapter and HD TV. [2g] Requires an Intel® Core™ processor. Wireless access point and Internet service required and not included. Availability of public wireless access points limited. [2h] Requires a 2nd gen Intel® Core™ processor, Intel® software and BIOS update, and Intel® Solid State Drive (SSD) or mSATA cashe module + HDD. Depending on system configuration, your results may vary. [2i] Requires a 2nd gen Intel® Core™ processor, enabled chipset, Intel Rapid Storage technology software, and a properly configured hybrid drive (HDD + small SSD). Intel Smart Response Technology is sold as an optional feature and is only available on HP's 2012 Workstations, HP EliteBooks and HP UltraBook. Depending on system configuration, your results may vary. [3] High-definition (HD) content is required to view high definition images. [3a] 3D Glasses and 3D content are required to view images in 3D. 3D visual experience may vary by viewer. [4] Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. [6] 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 30GB of system disk is reserved for system recovery software. [6a] Capacity based on average compressed .jpg size of 5MB/image. Capacity based on 4 minutes per song and 128-Kbps AAC encoding, 4MB per track and 2GB per 90-minute HD movie. [8] Wireless access point required and not included. [8f] Bluetooth is a trademark owned by its Company under license. [9] Weight will vary by configuration. [10] Actual speeds may vary. [10a] Internet service required and not included. [11c] Battery life will vary depending on numerous factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details. [12] Internet access required and not included. [12b] Internet access required and not included; registration required. [12c] Internet access required and not included; webcam required [12d] Available on select models with select Intel processors. Internet access required and not included; activation required. Subscription required for use after 90 days. [12h] Internet access required and not included; registration required. Subscription required for live updates after 60 days. [12l] Games may be limited during trial period. Full version games may be purchased at any time. Internet access required and not included. [12m] Internet access and Snapfish membership required and not included. Supported on Android and iOS operating systems. [12o] Internet access required and not included. Subscription required after 30 day trial period. [12s] Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. [13] Support options are subject to change. [14] EPEAT registered where applicable/supported. See www.epeat.net for registration status by country.

[14a] All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower by model. [14b] Meeting the evolving definition of "BFR/PVC-free" as set forth in the "iNEMI Position Statement on the 'Definition of Low-Halogen' Electronics (BFR/CFR/PVC free)." Plastic parts contain < 1000 ppm (0.1 percent) of bromine (if the Br source is from BFRs) and < 1000 ppm (0.1 percent) of chlorine if the Cl source is from CFRs or PVC or PVC copolymers. External power supplies, power cords, cables and peripherals are not BFR/PVC free. Service parts after purchase may not be BFR/PVC free. WWAN is not BFR/PVC free. [14c] Arsenic and its compounds were not detected using US EPA Test Methods 3052 and 3052/6010b by ICP or ICP-AES. [14d] SmartWay: US/Canada only. [14e] Free recycling in select countries. Program may not be available in your area. Check www.hp.com/go/recycling to see if HP offers free recycling in your area. [16] Based on testing performed in HP Labs.
